**Island View Casino Resort Announces New Signature Restaurant**  
*- Carter Green Steakhouse to open mid-June*

GULFPORT – Island View Casino Resort officials announced today plans for a new signature restaurant for the Gulfport property.

Carter Green Steakhouse, which will open in mid-June, will operate in the location currently occupied by Emeril's Gulf Coast Fish House. The Emeril's restaurant will close following dinner service on May 29.

Carter Green Steakhouse will offer an upscale dining concept, rounding out the resort's food & beverage offerings, which includes C&G Grille, The Buffet, and The Coffee Shop. The approximately 200-seat, 9,000-square-foot restaurant will feature prime steaks and fresh seafood from a unique menu created by the resort's award-winning culinary team.

Among highlights of the new restaurant will be a lobster tank and a small-plate menu in the bar.

"We are constantly striving to provide experiences that exceed our customers' expectations, and through enhancing our signature food and beverage offerings, we will offer our guests a fresh, new dining option at Island View Casino Resort," said Rick Carter, co-owner of Island View. "Carter Green Steakhouse will be owned by Island View, allowing us to put the knowledge of our customer base behind it."

Carter Green Steakhouse will be open for dinner Thursday through Monday from 5:30 to 10 p.m., and the restaurant's lounge will be open from 5 to 11 p.m. Reservations can be made by calling (228) 314-2100.
